Dear dr. Lies,

I am addressing you according to our conversation during the CPME meeting in Brussels and given information about your organization.

As it is in a great interest of the Croatian Medical Chamber, being the only national chamber of physicians in Croatia, to follow meetings of such kind in as active manner as possible, we are herewith applying for attendance on your next plenary meeting.

Croatian Medical Chamber is the most representative non-governmental national medical organization in Croatia and therefore we find it possible for Croatia, i.e. for Croatian Medical Chamber, to apply for the attendance on that meeting.

In the view of the aforementioned please consider this letter to be the formal application for recognition of full membership of Croatia, and should that not be possible immediately, for recognition of associated or observer status.

Please let me know if we should provide any other documents concerning this matter.

Sincerely yours,

Prim. mr. sc. Egidio Čepulić M.D.

President of the Croatian Medical Chamber
