Re: **CP Meetings 25-28th April 2001 in Brussels**

Dear Doctor, dear Madam, dear Sir,

the AEMH-President Dr. Lies and myself attended the CP meetings with the Associated Organizations , the Subcommittees, the Board meeting and the General Assembly which took place in Brussels 25-28th April 2001.

For your information you will find here enclosed the agendas of the different meetings and the most interesting respective CP documents. In case you would like to get complementary information on one of the topics, do not hesitate to contact me.

I would like to draw your attention on the “Professional Training, Continuing Medical Education and Medical Audit Subcommittee”, Topic 4 concerning the ACMT, Advisory Committee on Medical Training, which tasks should be taken over by the CP in collaboration with the associated organisations (see document CP 2001/028 and CP 2001/063). Dr. Lies expressed the particular interest of the AEMH to participate actively in this committee.

The elections of the CP-Board for the term 2002-2003 led to the following result :

President:	Dr. Brettenthaler (Austria)
Vice-Presidents:	Dr. Poulsen (Denmark), Dr. Christopoulos (Greece), Dr. Nunes (Portugal), Dr . Harvey (UK)
Treasurer:	Prof. Vilmar (Germany)
Internal Auditor:	Dr. Fjeldsted (Island)

With kind regards,

Yours sincerely,

Brigitte Jencik
