Advisory Committee on Medical Training?

Yes 14 No 1

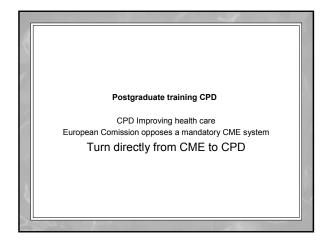

Consensus pre-(medical school);

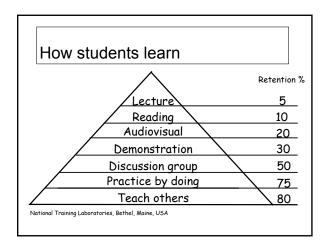

To change AEMH standpoint to in favor of the Bologna process to facilitate mobility, comparability and harmonization in Europe

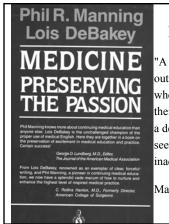

To present a statemet for 2008

Consensus per- (specialist training);

Non

## Motivating forces

"A driving force among the outstanding physicians whom we interviewed is their pride in performance - a desire never to be (or to be seen as) professionally inadequate".

Manning and DeBakey 1989
