Danish Medical Association

Dr. Raymond Lies, President of the AEMH

Dear Dr. Lies

The Danish Medical Association hereby informs you that the Danish Medical Association resigns its membership from the AEMH with 6 months notice, according to art. 5.2. in the statutes.

The reason for our resignation of the AEMH is that the Danish Medical Association and the Danish Association of Senior Hospital Physicians wants to concentrate the European engagement in the CPME and the UEMS. In our opinion, the CPME includes the countries with which we find the biggest unity in general. Furthermore, we find that the activity in the AEMH is not producing sufficiently visible results, and there is no prospect of the AEMH to develop into a more significant European organization, neither following a fusion with the FEMS.

The international work in the DMA is organized in such a way that the Danish chief physicians, like junior doctors and general practicing physicians, via this organization is secured the necessary influence internationally.

For the sake of good order, we hereby inform you that the DMA will not participate in the forthcoming meeting in Brussels.

Yours sincerely

Dr. Jens Winther Jensen
President of Danish Medical Association

Dr. Erik Kristensen
President of the Danish Association of Senior Hospital Physicians
