**Proposal submitted by the Austrian Delegation regarding future joint meetings of
FEMS & AEMH**

Dear Colleagues,

The Austrian delegation would like to make the following proposal in relation to the collaboration agreement of AEMH & FEMS:

As both organizations have the same focus and pursue the same objectives, we recommend that as from 2011, FEMS and AEMH hold joint meetings. (This would not prevent either of the two organizations to produce its own documents).

We strongly believe that this would be a perfect opportunity to concentrate on the essential, to enhance collaboration, to exchange information and to rationalize costs.

We are looking forward to discuss this subject with you at the next meeting.

Wien, 15.6.2010/Dr. S/Mag. NH/si
