CPD working group 2011**“Learning needs assessment”****Montreux, 27 May 2011****14:00- 17:00**

Chair: Dr Thomas Zilling

Objective : Draft of an AEMH position paper on assessment and needs assessment to improve health care performance in European hospitals.

Discussions points:

- perceived needs,
- unperceived needs and
- misperceived needs

How can these expressions be used to improve a learning environment without creating a heavy bureaucracy?
