Dear Mr. President, Dear Colleague,

Thank you for sending us the draft Minutes of the 68th AEMH General Assembly, Vienna, 8-9/5/2015. To our surprise, we noted that at the point 21.d National Reports, it is the report of the Cyprus Turkish doctors, with the title "National Report Cyprus", together with the national delegations. We would like to draw your attention to the fact that this organisation is not a legal entity, does not represent a legitimate state recognised by the United Nations, nor does it represent the national delegation of Cyprus. We would like to remind you that during the AEMH GA, the members agreed on the above mentioned, therefore, we kindly request to have the Minutes revised accordingly, inform the AEMH members on the situation and have the revised Minutes forwarded.

Thanking you in advance,
