AEMH President**

Sofia, 11th March 2016

Dear Dr. Joao de Deus,

We regret to inform you that on its regular meeting on 26th February 2016, the Board of the Bulgarian Medical Association took the decision to cancel our membership to AEMH.

These are hard times for our Association in terms of financial resources so the new Board faced the difficult situation to choose where and what cut should be made in order to maintain enough resources for our organization to go on

Therefore, facing lack of funds (since our work is financed by membership fees only), at its meeting on 26th February this year the BgMA Board decided to withdraw from membership with AEMH and some other international organisation.

With a full knowledge of the extremeness of this measure, we express our sincere regret that we are forced to implement it.

Wishing you fruitful work and future successes, I remain

Yours sincerely,

**Dr. Ventsislav Grozev,
President
Bulgarian Medical Association**
