9. National Reports

Define the frame for the Reports 2008.

Excerpt of the Minutes of the last Plenary meeting: “*The President expressed his appreciation on the presentation of the national report by Dr Guisan with some slides, which he recommended to all delegations.*

Furthermore, he stated that many national delegations reported on strikes, social conflicts, reforms etc. concerning the hospital sector, which is alarming.

He proposed for the next plenary meeting to combine the reporting with an analysis on the evolution of the situation in hospitals in Europe. In this case the national reports would be needed at least one month in advance. The Board will then analyze the reports and present the outcome at the next plenary.”
