UEMS new premises **

The proposal that the UEMS purchases its own premises to accommodate its secretariat and internal meetings (and possibly also the other EMOs') was raised and discussed at the last Board Meetings held in Istanbul (October 2009) and Munich (June 2010). At this particular meeting, the Board reached a principle agreement for an investment amounting to up to € 2.000.000.

UEMS motion: "The UEMS Board confirms the mandate given to the UEMS Executive on 02.06.2010 in Munich to purchase and adapt premises to the benefit of the UEMS. "In doing so, the UEMS Board agrees that a loan be contracted for an amount of up to 50% of the total sum engaged. "Contacts with the other European Medical Organisations will be continued to envisage a possible co-habitation on the basis of joint ownership as a main priority. Other options could be envisaged in case co-purchase is not possible."
