

# **Management of the healthcare sector in Sweden.**

Marie Wedin

- **Management by  
“economists”**

# **Management by politicians**

- ***Nurses as managers***

- **The trend of hospital mergers.**

# **Management by hiring consultants**

# **Management of fear!**

Doctors must understand.

Doctors must therefore make  
efforts.

Training in leadership for  
all doctors and in  
management for the  
doctors that are  
interested.
