4th EUROPEAN HOSPITAL CONFERENCE

Chances and Challenges of E-Health

What is the 4th Joint EUROPEAN HOSPITAL CONFERENCE?

The **4th Joint EUROPEAN HOSPITAL CONFERENCE (EHC)** takes place as part of **MEDICA 2017** and the **40th German Hospital Conference**. The EHC will address different political, medical and economic topics from across all of Europe. As a separate event the EHC is directed by the Gesellschaft Deutscher Krankenhaustag (GDK) and will be held in the Congress Center East (CCD Ost) on the trade fair grounds of Messe Düsseldorf.

The event is dedicated to the topic **“Chances and Challenges of E-Health”**.

Andrzej Rys, Director General of the Directorate SANTE of the European Commission, will present the European Commission’s “E-Health Action Plan 2012–2020”.

High-ranking speakers from the European Hospital and Healthcare Federation (HOPE), the European Association of Hospital Managers (EAHM) and the Association of European Hospital Physicians (AEMH) will give lively comments on that.

Beyond this, national E-Health-Concepts from Denmark, Germany, Sweden and Switzerland will be presented, followed by concrete examples of implementation of individual E-Health-Solutions in Hospitals.

Approximately 120 top decision-makers from Europe’s hospitals are expected to attend. All presentations will be translated simultaneously into English, French and German. Conference time: 10.00 h – 16.30 h.
