Treasurer's Report to the Plenary Meeting 8-9 June, 2018

Accounts 2017

It is a pleasure in my last year of office to present a balance sheet, which shows a surplus of Eur. 12.493,56 with Eur. 9527,00 expected to receive.

On the income side, we have collected Eur. 79.270,34 (94,28 % of the budgeted amount), and I would like to thank all the national member organizations for paying their contributions thus making the situation of the AEMH very stable as usual.

My special appreciation goes to the Portuguese Medical Order for always supporting the activities of our President, as in the previous years, and Luxembourg Medical Association for hosting the last year's annual meeting.

On the expenses side, Secretary-General and the Board has managed to keep the running costs well within the budget. The last year plenary meeting in Luxembourg was more expensive despite the generous hospitality of our hosts but did not influence our final result to a higher extent, because we have not spent the whole amount budgeted for some other positions.

AEMH is well represented at all necessary European events by our members. Travel and office costs have never surpassed the budgeted values.

The well-established practice of common secretariat shared with FEMS continues both professionally and financially and the Board is looking forward to proceeding in the future with newly elected leaders of both organizations.

Today AEMH has a significant amount of money placed on the saving account, not blocked in any long-term contract with the bank since 2012. A very stable financial situation enables all possible future projects and the new AEMH board, to be elected this year, will decide about the most prudent use of the assets.

The budget for 2019, submitted to the plenary, is identical to last year's, ensuring a positive end-result. The usual budget suits our needs well and we do not expect any major changes regarding our office and usual expenses in the next year.

I invite you to kindly support this proposal and to facilitate the new AEMH treasurer a "smooth" start in the office.
