Président

Paris, 28 March 2024

Object: nomination of Doctor Clarisse JOACHIM-CONTARET, as a candidate for the AEMH 3rd Vice-Presidency

Dear Dr Merholz,

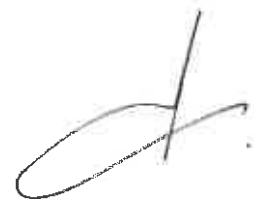

In my capacity as President of the French Medical Council, I am writing to you **to nominate Doctor Clarisse Joachim-Contaret as a candidate for the AEMH 3rd Vice-Presidency for term 2025-2027.**

Dr Joachim-Contaret, specialist in Public Health, is head of the Cancer Haematology Urology unit at Martinique University Hospital (CHU). She has been an active member of the CNOM's international department since 2022. She is currently in charge of hospital practitioners' issues within this department, headed by Dr Philippe Cathala.

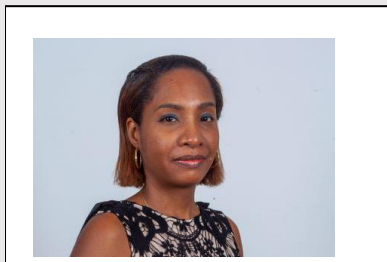

For several decades, the French Medical Council has built up close links with its European counterparts. Nowadays, this European commitment is more important than ever.

Therefore, the French Medical Council would be honored to count on your support for the upcoming AEMH elections.

Yours sincerely,

Dr François ARNAULT
